20231 ON November 14, 2002.

SHERIDAN ROSS P.C.

BY: *[Signature]*

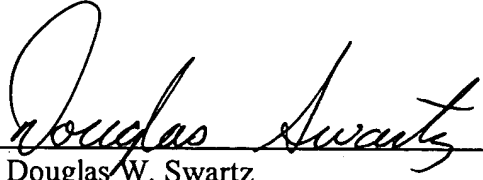

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is in response to the Office Communication dated November 5, 2002 (Paper No. 15), in which the Examiner has requested a clarification of Applicant's response dated August 1, 2002. Applicant hereby elects to prosecute Claims 7, 9, and 14 (directed to Fig. 2) and generic Claims 1-5, 8, 11-13, and 16-53 of this patent application. Claims 22 through 53 were added in the Amendment and Response to Restriction Requirement mailed August 1, 2002, and Claims 22 and 42 were further amended in a First Preliminary Amendment facsimile transmitted on August 23, 2002. Claims 34, 41, 51, and 53 correspond to Fig. 1 and are, therefore, not elected in the event a generic claim is not allowed. However, Applicants respectfully reserve the right to pursue Claims 6, 10, 15, 34, 41, 51, and 53 (directed to Fig. 1) in a subsequent divisional/continuation application.

Respectfully submitted,

SHERIDAN ROSS P.C.
